

Hey!

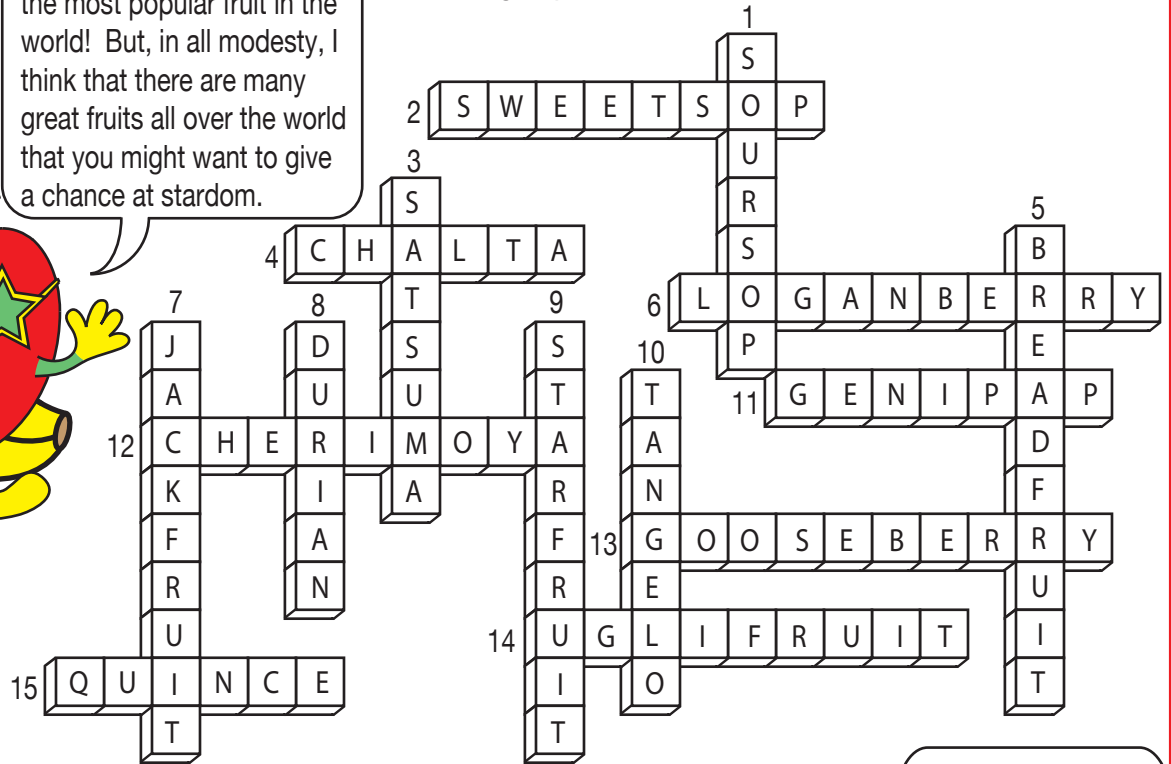

Beyond Bananas!

My agent tells me that I am the most popular fruit in the world! But, in all modesty, I think that there are many great fruits all over the world that you might want to give a chance at stardom.

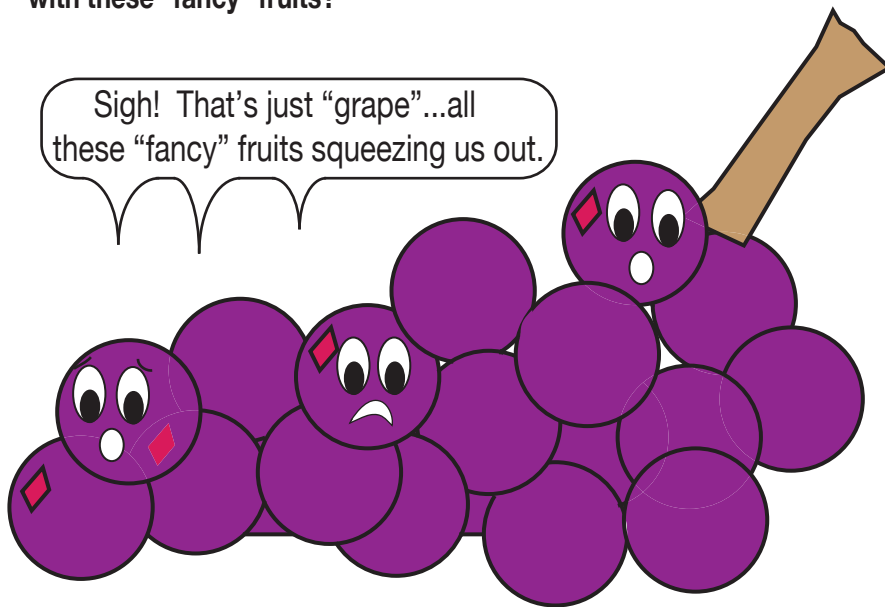

"Fancy" Fruits

Part 2

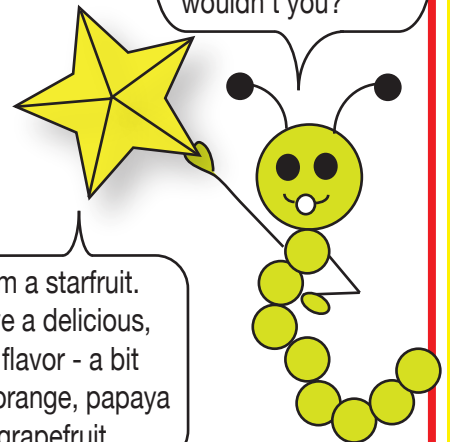

Did you study the clues to fill in the crossword with these "fancy" fruits?

Sigh! That's just "grape"...all these "fancy" fruits squeezing us out.

I'd be willing to try some of the "new" fruits popping up in the supermarket and at farmer's markets... wouldn't you?

I'm a starfruit. I have a delicious, mild flavor - a bit like orange, papaya and grapefruit.
