A Perfect Summer Day!

Before going back to school.

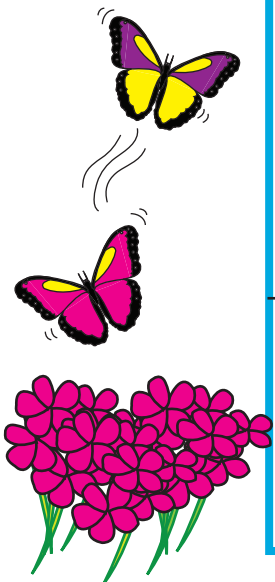

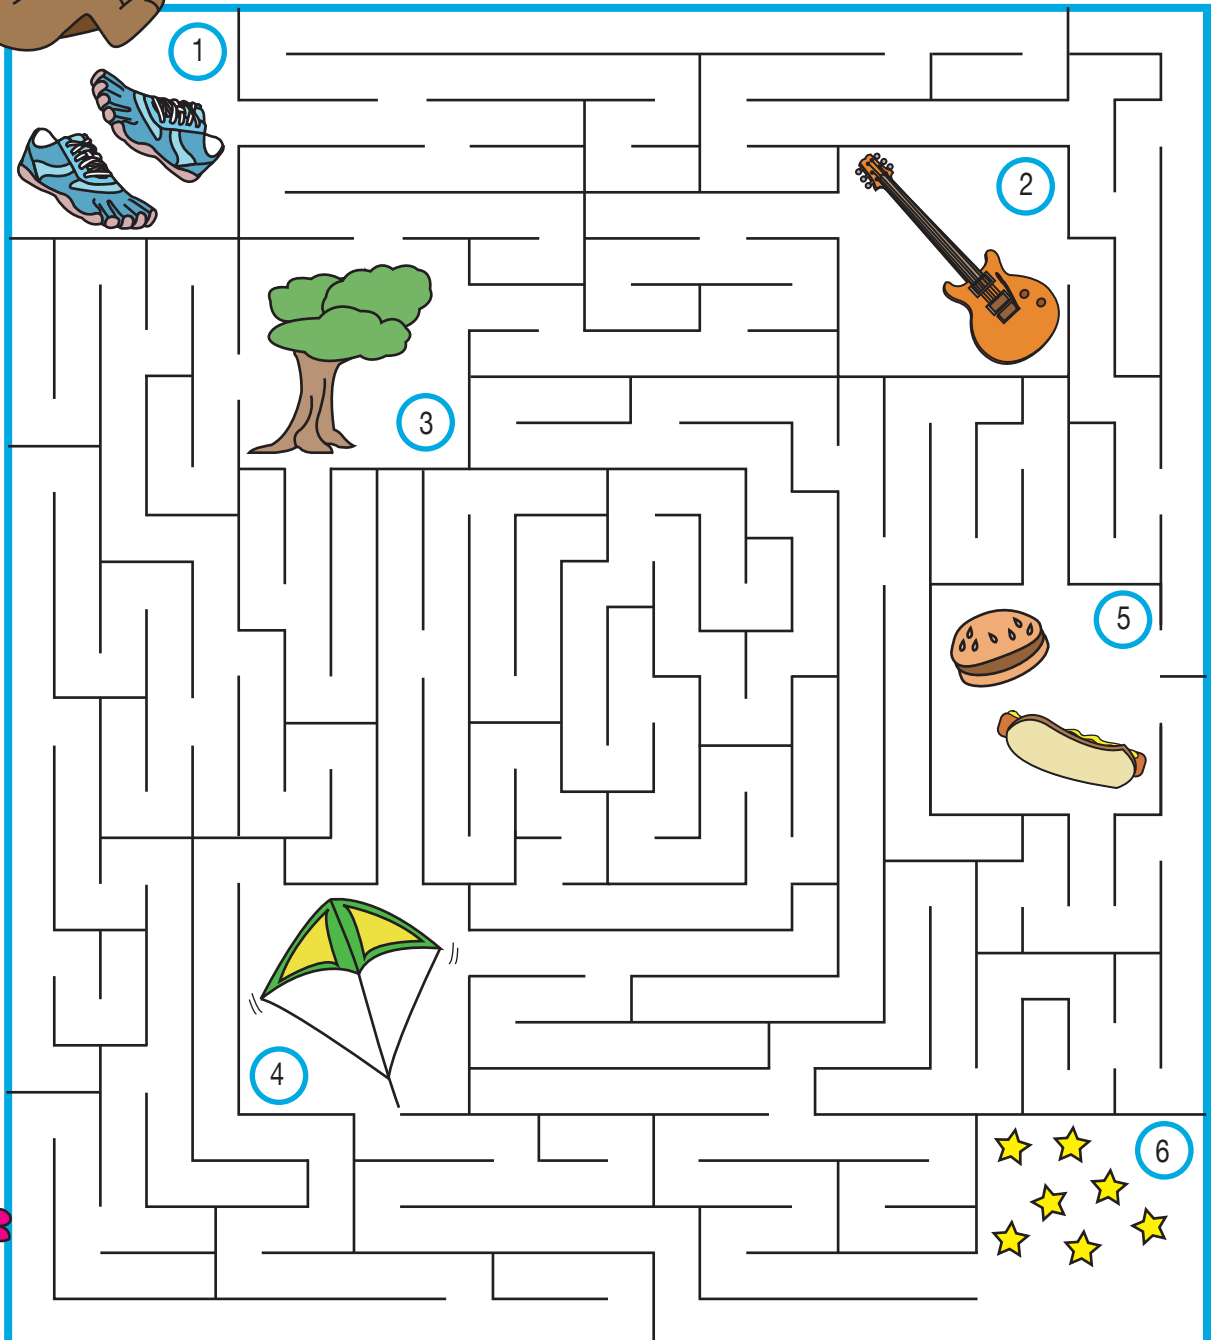

1. First I'd have blueberry pancakes for breakfast, then I'd take a run through the trails behind my house.
2. Next, after a shower I'd pluck my six string guitar.
3. I've been enjoying a fantastic story about a knight and a dragon so I would continue reading the story in the shade of a tree. A strong breeze would cool my face and flutter the pages. I'd eat my box lunch.

4. Then, I'd go to a field to fly aerial acrobatics with my kite.
5. When I got back, I'd get ready for a family and friends barbecue.
6. No one would want the day to end, so we would pitch tents and camp right in the yard.

It's time or almost time to go back to school and Forest is daydreaming about enjoying a perfect summer day.

Directions

Read Forest's notes, then follow the maze in order of how he imagines his perfect day would go from morning to evening fun!
